Issued by the Department of Transportation

Essential Air Service at

EXCURSION INLET, ALASKA

Under 49 U.S.C. 41731 *et seq.*

Served: June 19, 2003

DOCKET OST-2002-12014

ORDER EXTENDING SERVICE OBLIGATION

Summary

By this order, the Department is extending L.A.B. Flying Service's service obligation at Excursion Inlet, Alaska, for an additional 30 days, through **July 30, 2003**.

Background

On April 1, 2002, L.A.B. Flying Service, Inc. (L.A.B.), filed a 90-day notice of its intent to suspend its unsubsidized service at Excursion Inlet, Alaska. By Order 2002-7-4, July 2, 2002, the Department prohibited the carrier from suspending service at the community for an initial 30-day period, through July 31, 2002, and requested proposals, with subsidy if necessary, from carriers interested in providing replacement service. As required by 49 U.S.C. 41734, we have extended L.A.B.'s service obligation for additional 30-day periods, the latest through **June 30, 2003**, by Order **2003-5-20**.

Although L.A.B. has submitted a proposal, this case will not be completed before the end of the current hold-in period. As required by 49 U.S.C. 41734, we must continue to require L.A.B. to serve Excursion Inlet for an additional 30-day period.

This order is issued under authority delegated in 49 CFR 1.56a(f).

ACCORDINGLY,

1. The Department requires L.A.B. Flying Service, Inc., to maintain essential air service at Excursion Inlet, Alaska, as described in ordering paragraph 2 of Order 2002-7-4, for an

additional 30-day period, through **July 30, 2003**, or until a carrier capable of providing reliable replacement service actually begins, whichever occurs first;¹

2. The Department directs L.A.B. Flying Service to retain all books, records, and other source and summary documents to support subsidy claims for payment and to preserve and maintain such documentation in a manner that readily permits its audit and examination by representatives of the Department. Such documentation shall be retained for seven years or until the Department indicates that the records may be destroyed. Copies of flight logs for aircraft sold or disposed of must be retained. The carrier may forfeit its compensation for any claim that is not supported under the terms of this order;

3. Docket OST-2002-12014 will remain open until further order of the Department; and

4. The Department will serve copies of this order on the Mayor and Airport Manager of Excursion Inlet, the Alaska Department of Transportation and Public Facilities, and L.A.B. Flying Service, Inc.
